Futsal is the only form of indoor football approved by FIFA, UEFA and the FA. With over 2 million players regularly participating in

fast-paced 5-a-side action that rewards good technique and game intelligence, Futsal is globally recognised as one of the fastest growing indoor sports in the world.

Many greats from the 11-a-side game such as **Ronaldo, Fabregas, Zidane and Pele** attribute the development of their skills to Futsal. Extensively televised international competitions such as the Futsal world cup and UEFA Futsal cup allow players to showcase their talents on a global scale and ensure that Futsal is here to stay as part of the fabric of football. As a key element of the FA's strategy to develop the game and produce players capable of

representing England, and after a very successful introduction in 2010, Millwall are now offering this exciting and innovative programme to 16-17 year olds.

Learners will have the opportunity to train in Futsal for up to 8 hours a week with Millwall F.C. coaches, under the direction of the Football League Trust. Training will be supplemented with fortnightly regular fixtures against other teams, representing professional clubs, in the Football League Trust Futsal League.
